BEST OUT OF WASTE

"Regard before you discard"

RULES & GUIDELINES for Participation:

- ✓ The competition is open to all 3 categories – Juniors, Intermediates and Seniors.
- ✓ Waste material used could be anything like tetra packs, bottles, newspapers, old utensils, used plastic boxes or any second hand items that otherwise would be thrown away.
- ✓ The entry would be rejected if the material used is not found to be a waste product or second hand item. However, stationary items like Fevicol, Scissors, Stapler, Tape etc. are allowed.
- ✓ During the entire recording, the participant should be under the camera frame, and any mode of assistance from a second person is strictly not allowed.
- ✓ The video must be shot continuously in one take, no background music allowed.
- ✓ The assembly of the working model - from scratch to the final product must be shown in the video.
- ✓ No ready or semi-finished model would be accepted from participant in competition.
- ✓ Participant must brief on the materials used and give a proper functional explanation of the design.
- ✓ Time allowed for assembly and explanation together is:
 - ✓ Juniors – 10 mins
 - ✓ Intermediates / Seniors – 15 mins

(Please note we are expecting only the final assembly of the product to be shown in the video. Backend work like cutting bottles / thermocol / newspapers to a definite shape, etc. can be done prior and can be explained in the video)

- ✓ Exceeding time limit will lead to disqualification.
- ✓ Participants will be judged on Creativity, Utilization of Resources, Artistic composition & design, Eco-friendly rating, Utility of the Product and Overall Presentation.
- ✓ Referring to mobile or Internet means during the video presentation is not allowed.
- ✓ The decision of the judges will be considered final and abiding.
- ✓ **Last date for Submission: Saturday, 24th July 2021, 7pm.**
